Net Weight	2.3kg
Shipping Weight	2.7kg
Technical Support and After-sales Service	Global application support team, EASE GLL Files

Product Overview

Butterfly 4pro consists of 1 pc 4-inch LF driver and 2 pcs soft dome tweeters. The HF have an exclusive T-EYE™ design, and the array layout is assembled in the center front of the speaker. The speaker has a wider frequency response and large near-field coverage, and the sound is especially defined and delicate.

Butterfly 4pro also have a modular design concept, which can be used individually or in combination with multiple speakers. It has good scalability and can flexibly adapt to various environments and applications.

System Configuration

- Artist T2.4V/T4.4V Amplifier
- BrainCore CU
